

Taking Control of Your Financial Future

Group Plan Member Newsletter – September 2008

As a group member, you have a unique opportunity to take advantage of complimentary services being made available to you through Reuter Benefits. We are your Group Plan Consultants dedicated to assisting our members across Canada.

Let us help you access the services and professional support that will put you in control of your investments and retirement plan.

Whether you are reviewing your investment portfolio, developing a retirement plan or commencing retirement, we are here to help!

Contact us if you require assistance in:

- Enrolling in your plan
- Reviewing your investments
- Understanding your member statement
- Accessing retirement planning software
- Commencing Retirement

You will be receiving additional communications from us on a regular basis. In the meantime, please do not hesitate to contact our office at 1-800-666-0142 or via email at retire@reuterbenefits.com or visit our website at www.reuterbenefits.com.
