

# Remember to take advantage of your Group Plan member services!

Periodically we like to remind you of the resources made available to you through your Group Retirement Savings Plans.

We encourage you to contact us to better understand:

- contributions you and your employer make to the plan
- the investment choices available to you
- the advantages of your group plan
- sources of income at retirement
- retirement planning resources: investor risk profile questionnaires, member websites, retirement calculators and member statements
- Reuter Benefit member resources: investment advice and assisting in accessing savings at retirement, member newsletters and personal counseling

## How can you benefit from using our services?

Studies show that investors who use the services of a financial advisor feel more in control of their financial future and better prepared for retirement.

If you have not already done so, we encourage you to review the list above with our advisors. You can reach us at 1-800-666-0142 or via email at
